- SmartWORKS hardware manufactured prior to January 1, 2008

Notice Details

This Product Notice is a formal notification by AudioCodes that SmartWORKS hardware manufactured prior to January 01, 2008 is now considered End-of-Life (EoL) status. To continue using hardware manufactured prior to 2008, SmartWORKS Version 5.7 or earlier must be used.

To determine the manufactured date of your SmartWORKS hardware:

1. Start the SmartCONTROL utility.
2. From Windows **Start** menu, point to **Control Panel**, and then choose **SmartCONTROL applet**.
3. Select the **BOARD** tab.
4. The manufactured date is displayed in the 'Date Code' field, which is displayed in "YYWW" format, where YY is the year and WW the week.
