

Product Notice #0257

End-of-Life Announcement for Mediant 1000 Modules

Notice Subject

AudioCodes™ announces End-of-Life (EOL) for the PSTN and MPM modules of the Mediant 1000. The EOL is relevant only to the modules of the Mediant 1000 (which was announced EOL on January 2013) and does not affect the Mediant 1000B and its modules.

Notice Date

September 2015

Notice Effective Date

Immediate

Affected Part Numbers

The EOL applies to the following Mediant 1000 modules, listed as Catalog Part Numbers (CPN):

- M1K-VM-1SPAN (Single E1/T1 Span)
- M1K-VM-2SPAN (Dual E1/T1 Span)
- M1K-VM-4SPAN (Quad E1/T1 Span)
- M1K-VM-4FXS (4 FXS Ports)
M1K-VM-4FXO (4 FXO Ports)
- M1K-VM-4FXO-LS/GS (4 FXO Ports with Loop Start and Ground Start)
- M1K-VM-MPM (Media Processing Module)
- M1K-VM-4BRI (4 BRI Ports)

Notice Details

This Product Notice is a formal announcement by AudioCodes that the PSTN and MPM modules of the Mediant 1000 product are now considered EOL. This announcement is a follow up to Product Notice #0168 (which was sent in January 2013), declaring EOL for AudioCodes' Mediant 1000 product (replaced by Mediant 1000B).

The Last-Time Buy (LTB) date of these modules is March 2016. In other words, customers can still order these modules until this specified date.

Note: The EOL does not affect the Mediant 1000B and its modules.

Product Migration or Replacement

Customers wishing to add modules to their Mediant 1000 are encouraged to migrate to the Mediant 1000B.
