## AudioCodes Releases Fanless Mediant™ 500L MSBR Models

### Notice Subject

AudioCodes announces the modification of the Mediant 500L Multi-Service Business Router (MSBR) models to be fanless.

### Notice Date

September 2016

### Notice Effective Date

Immediate

### Affected Product Family / Part Numbers

- M500L-G-A2GECS
- M500L-2BCG-A2GECS
- M500L-4BCG-A2GECS

### Notice Details

AudioCodes has modified the above-listed Mediant 500L MSBR models to be fanless. As a result, these models produce less noise, making them more suitable for installation in small offices.

**Note:** As a result of removing the fans, these models have temperature limitations. The operating temperature of the device is 5 to 30°C (41 to 86°F) instead of 5 to 40°C (41 to 104°F).
