

Product Notice #0454

End-of-Life for Device Manager Express

This Product Notice is a formal announcement by AudioCodes that the Device Manager Express has reached End-of-Life (EOL) status.

Last Time Buy

The Last Time Buy (LTB) is April 2022.

Product Migration (Replacement)

Customers using Device Manager Express (Windows-based) are recommended to migrate to AudioCodes Device Manager PRO, which is part of AudioCodes OVOC suite and has a more enhanced feature set than Express.

For Customers with a valid support agreement for Device Manager Express, AudioCodes will allow a free-of-charge migration of up to 500 devices to Device Manager PRO (License). Note that Support and Professional Services fees should be ordered as usual.

For all Customers, AudioCodes is offering a free-of-charge Demo Evaluation license for up to 350 devices for a 4-month trial period! The license can be obtained by clicking [here](#). For more information, please contact your local sales representative.

Security Alert: Please note that Device Manager Express was identified by <https://outpost24.com> as having a few major security vulnerabilities. Therefore, AudioCodes highly recommends that you migrate to Device Manager PRO as soon as possible.

Affected Products

Device Manager Express
